## Entrance Fees and How to Register

- Please register online at the official website.
- Registrations are processed **in the order received**, and when the competitor limit is reached for each event, no more registrations will be accepted.

Participation Categories		Basic Fee (tax included)
Competitor	Person competing	¥24,000 = n. 180 EUR
Competitor's crew	Person helping the competitor (coach, manager, assistant, etc.)	¥14,000 = n. 105 EUR
Supporter	Neither of the above (family member, friend, etc.)	¥14,000

#### Notes:

- Registration is categorized into non-Japan and Japan resident based on your current place of residence. However, Japanese nationals living outside of Japan can register in the Japan resident category.
- Regardless of participation category, all basic fees include the right to attend the ceremonies, use the various services, and receive the official Games kit (T-shirt, backpack, etc.).
- The participation fee for non-Japan residents includes a [transportation pass](#) for moving between areas around the Kansai. The pass is not included in the participation fee for Japan residents, but can be purchased at the time of registration or later as an option. (limited quantities)
- Competitors may join up to 5 events of the 59 offered. From the sixth event on, an additional charge of 2,000 yen per event is required.  
Caution: **Individual events are counted, not the number of sports.**
- Some events will require an extra fee.

#### Transportation Pass

- (1) Original JR Kansai Wide-Area Pass: A seven-day all-inclusive pass for JR train lines in the tournament-hosting area.
- (2) Original Kansai One Pass: Can be used with all major transportation companies in the Kansai region without the need to exchange for tickets.

Some restrictions apply. For details, please visit the traffic guide section of the official website.
